## Study Resources

The two resources available to use with this study are listed below. The Study Guide will be used by all groups. Lesson Supplements are optional resources intended to enhance the understanding and life application of the study.

1. Study Guide: Although labeled as a Leader Guide, both leaders and members will use the guide for their weekly lessons. Each lesson contains text, discussion questions, and an activity and prayer idea.
2. Lesson Supplement: Each lesson has an optional lesson supplement that includes an icebreaker, additional or expanded questions from those in the study guide, and alternate prayer ideas. Should the group decide to use the supplements, both leaders and members should use the supplements to prepare for their group
