## DISCUSSION QUESTIONS

Use these questions with your small group, family, or a few friends to discuss and apply what you heard in the sermon today.

- What was the most serious illness or injury you've ever had?
- Read John 5:5–7. How do you think the man felt when Jesus asked the question, "Do you want to get well?"
- Why do people choose to stay sick rather than get healthy?
- What is one area that God would like you to change with his help?
