

# A Quick Text

Exploring the four shortest books of the Bible

**Session 1** Jude: A Faith  
Worth Fighting For  
*week starting August 15, 2021*

In this quick text, 25 verses total, Jude sends a warning to a group of Jewish-Christians that there are false teachers in their midst. Using scriptural stories from their past, Jude seeks to remind the community to always be on the lookout for false teachers, to let actions speak louder than words, and that they have a faith worth fighting for!

## GETTING STARTED

- What's something in your life worth fighting for?

## DISCUSSION

1. Read Jude 1–4. Why is Jude writing the letter? What two accusations does he warn the people of?
2. Jude isn't arguing the theology of the false teachers, instead he is arguing against their conclusions and behaviors. Where in our community do you see people using grace to justify living however they want? Where do you see people calling themselves Christians, yet denying the authority of Jesus?
3. Read Jude 20–25 and John 15:9–17. How do we, as a Christian community today, contend for the faith? How do we protect ourselves against false teaching?
