

Vision Sunday 2021

All for ONE
week starting
September 12, 2021

DISCUSSION

1. Share about a team that was most effective or less effective. What made it effective or not?
2. Read Philippians 2:1–5. Paul’s hope is that Jesus-centered communities would be like minded. What makes it so difficult to be like-minded in our world today?
3. From the message, what does it look like to be united with ONE body and ONE voice?
4. Our goal as a community this year is to cultivate our strength in personal relationships to re-engage our communities with Shepherd and our mission. What role might God be inviting you to play this year that we might “row” as ONE?
